**LETTER OF COMPLIANCE
FOR
LETTER OF DEFICIENCY
No. WMD 05-10**

Dear Mr. Geoffroy:

On February 10, 2005, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of Kingston Foreign Auto ("Kingston"). The purpose of the inspection was to determine Kingston's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Kingston was issued Letter of Deficiency No. WMD 05-10 ("LOD"). Based upon a review of Kingston's submittals received on August 3, 2005, August 29, 2005 and October 7, 2005, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor Kingston's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Linda Birmingham or me at (603) 271-2942. Thank you for your cooperation.

Sincerely,

COPY
